This book provides a variety of debate topics that are relevant and interesting to English learners. Each debate topic includes discussion questions, activities, and tests to assess understanding. The debates are designed to be challenging and thought-provoking, but they are also accessible to students of all levels.

What's Inside?

This book includes the following:

- 25 debate topics
- Discussion questions for each topic
- Activities to help students prepare for the debates
- Tests to assess student understanding
- Answer key

Benefits

This book offers a number of benefits, including:

- Helps students develop their critical thinking skills
- Improves students' communication skills
- Enhances students' knowledge of English vocabulary and grammar
- Increases students' confidence in speaking English
- Provides a fun and engaging way to learn English

How to Use This Book

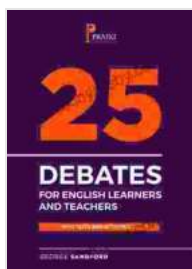

This book can be used in a variety of ways. You can use it as a supplement to your regular English language lessons, or you can use it as a stand-alone resource. The debates can be used in pairs, small groups, or whole class. You can also use the debates as a way to assess student learning.

This book is a valuable resource for any English language teacher or learner. The debates are well-written and thought-provoking, and they provide a great way to practice English language skills. I highly recommend this book to anyone who wants to improve their English language skills.
