

# Antsy Ansel: Ansel Adams' Life in Nature

**Ansel Adams** was an American landscape photographer and environmentalist known for his black-and-white images of the American West. He helped found Group f/64, an association of photographers advocating "pure" photography which favored sharp focus and the use of the full tonal range of a photograph.

Adams was born in San Francisco, California, on February 20, 1902. He first visited Yosemite National Park with his family at the age of 14 and was immediately captivated by its beauty. He began photographing the park in 1927 and quickly became one of its most famous photographers.

Adams' photographs are characterized by their clarity, depth, and sense of grandeur. He was a master of composition and often used dramatic lighting to create stunning images. He was also a pioneer in the use of large-format cameras, which allowed him to capture images with exceptional detail.

In addition to his photography, Adams was also a passionate environmentalist. He was a founding member of the Sierra Club and served

on its board of directors for many years. He used his photography to promote conservation and helped to protect many of the wild places he loved.

Adams died in Carmel, California, on April 22, 1984. He left behind a legacy of stunning photographs that continue to inspire people around the world.

### **Antsy Ansel: Ansel Adams' Life in Nature**

**Antsy Ansel: Ansel Adams' Life in Nature** is a new biography of the legendary photographer by Adam Naper. The book traces Adams' life from his early years in San Francisco to his rise to fame as one of the most celebrated photographers in the world.

Naper's book is based on extensive research, including interviews with Adams' family, friends, and colleagues. He also draws on Adams' own writings and photographs to create a vivid and intimate portrait of the artist.

*Antsy Ansel* is a must-read for anyone interested in photography, the American West, or environmentalism. It is a beautifully written and illustrated book that offers a new perspective on one of the most important figures in American history.

### **Praise for *Antsy Ansel: Ansel Adams' Life in Nature***

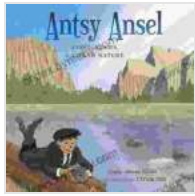

"*Antsy Ansel* is a brilliant and groundbreaking biography of one of the most important artists of the 20th century. Adam Naper has written a book that is both intimate and epic, and that will forever change the way we think about Ansel Adams." - Ken Burns, filmmaker

"*Antsy Ansel* is a masterpiece. Adam Naper has captured the essence of Ansel Adams, the artist and the man. This book is a must-read for anyone who loves photography, nature, or American history." - John Szarkowski, former director of the Museum of Modern Art

"*Antsy Ansel* is a tour de force. Adam Naper has written a book that is as beautiful as it is informative. This is the definitive biography of Ansel Adams." - William Cronon, author of *Nature's Metropolis*
