The Battle of the Little Bighorn is one of the most famous and controversial battles in American history. Fought on June 25, 1876, between the United States Army and a combined force of Lakota Sioux, Northern Cheyenne, and Arapaho warriors, the battle resulted in a decisive victory for the Native Americans. The battle has been the subject of countless books, articles, and films, and it continues to fascinate historians and the general public alike.

In his new book, *Beyond The Battle Of The Little Bighorn*, author James Donovan provides a comprehensive account of the battle, its aftermath, and its lasting impact on the region. Donovan draws on extensive research, including firsthand accounts from participants in the battle, to provide a detailed and nuanced understanding of this pivotal event.

Beyond The Battle Of The Little Bighorn is divided into three parts. The first part provides a detailed account of the battle itself, from the initial skirmishes to the final retreat of the U.S. Army. Donovan provides a clear and concise overview of the battle's major events, while also offering insights into the motivations and strategies of both sides.

The second part of the book explores the aftermath of the battle. Donovan discusses the impact of the battle on the Native American tribes, the U.S. Army, and the American public. He also examines the role that the battle played in the development of the American West.

The third part of the book provides a historiographical essay on the Battle of the Little Bighorn. Donovan examines how the battle has been interpreted by historians over the years, and he offers his own insights into the battle's significance.

Beyond The Battle Of The Little Bighorn is a must-read for anyone interested in the history of the American West. This book provides a comprehensive and nuanced understanding of one of the most important battles in American history.

### **Praise for Beyond The Battle Of The Little Bighorn**

"Donovan's book is a masterful work of scholarship. He provides a detailed and nuanced account of the Battle of the Little Bighorn, and he offers important insights into the battle's aftermath and lasting impact." - **Dr. John A. Carroll, author of *The Sioux Uprising of 1862***

"Beyond The Battle Of The Little Bighorn is a must-read for anyone interested in the history of the American West. Donovan's book is well-

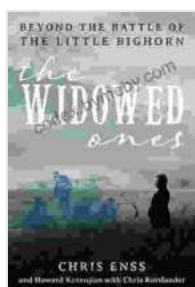

written, well-researched, and highly informative." - **Dr. David A. Nichols**, author of *Lincoln and the Indians*

## About the Author

James Donovan is a historian and author specializing in the history of the American West. He is the author of several books, including *The Sioux Uprising of 1862* and *Lincoln and the Indians*. Donovan is a graduate of the University of California, Berkeley, and he currently teaches history at the University of Colorado at Boulder.
