Immerse Yourself in the Renowned Swiss Education System

Switzerland boasts one of the world's most respected education systems, renowned for its high standards, rigor, and focus on innovation. "Going Local" takes you on a comprehensive journey through the Swiss

educational system, exploring its key features, strengths, and the unique opportunities it offers to students.

Demystifying the Swiss School System

Understanding the Swiss school system can be daunting for newcomers. "Going Local" simplifies this complex landscape, providing clear explanations of the different school types, curricula, and educational pathways available. Whether your children are attending international, private, or public schools, this guide will equip you with the knowledge to make the best choices.

Tailored Advice for Expat Families

Relocating to a new country with children can be a challenging experience. "Going Local" is specifically designed to support expat families, providing invaluable insights into the unique challenges and opportunities of educating children in Switzerland. Discover how to find the right school, navigate the admission process, and support your children's academic and social integration.

Unveiling Bilingual and International Education Options

Switzerland is a hub for bilingual and international education. "Going Local" explores the wide range of options available, including French-German bilingual schools, international baccalaureate (IB) schools, and schools offering immersion programs in different languages. Learn about the benefits and challenges of these educational models and how to choose the best fit for your family.

Insider Tips and Practical Advice

Beyond the theoretical knowledge, "Going Local" is packed with practical advice and insider tips from experts who have navigated the Swiss education system firsthand. From understanding the application process to navigating the school bureaucracy, this guide will save you time, energy, and potential headaches.
