

How to Protect Your Family from Being Broke, Bitter, and Blaming You

In today's uncertain economic climate, it's more important than ever to protect your family from financial ruin. But how do you do that? How can you ensure that your loved ones will be able to weather any financial storm that comes their way?

The answer lies in education. The more your family knows about money, the better equipped they'll be to make sound financial decisions. And the best way to educate your family about money is to read to them about it.

Curse of Inheritance: How to Protect Your Family From Being Broke, Bitter and Blaming You by Cindy Arledge

That's why I'm so excited to share my new book, *How to Protect Your Family from Being Broke, Bitter, and Blaming You*. This book is packed with practical advice on how to teach your kids about money, how to save for the future, and how to avoid debt.

I wrote this book because I believe that financial literacy is essential for a happy and successful life. I want to help you give your family the tools they need to succeed financially.

What's in the Book?

How to Protect Your Family from Being Broke, Bitter, and Blaming You is divided into three parts:

* **Part One: Teaching Your Kids About Money** This section covers the basics of teaching your kids about money, including how to talk to them about it, how to set up a budget, and how to help them make smart spending decisions. * **Part Two: Saving for the Future** This section provides tips on how to save for your family's future, including how to set up a savings account, how to invest your money, and how to make the most of your retirement savings. * **Part Three: Avoiding Debt** This section explains the dangers of debt and offers advice on how to avoid it, including how to get out of debt if you're already in it.

The book is also filled with helpful worksheets and exercises that you can use to teach your family about money.

Who Should Read This Book?

This book is for anyone who wants to protect their family from financial ruin. It's especially helpful for parents of young children, but it's also beneficial for grandparents, aunts, uncles, and anyone else who plays a role in the financial lives of children.

What People Are Saying About the Book

"This book is a must-read for any parent who wants to raise financially literate children. It's full of practical advice that you can start using today." - Dave Ramsey, author of *The Total Money Makeover*

"This book is a great resource for anyone who wants to improve their financial literacy. It's easy to read and understand, and it's full of helpful tips that you can put into practice right away." - Suze Orman, author of *The Courage to Be Rich*

"This book is a valuable tool for anyone who wants to protect their family from financial ruin. It's a must-read for parents, grandparents, and anyone else who cares about the financial well-being of children." - Jean Chatzky, author of *The Difference: How Anyone Can Prosper in Market Ups and Downs*

How to Free Download Your Copy

You can Free Download your copy of *How to Protect Your Family from Being Broke, Bitter, and Blaming You* today from Our Book Library, Barnes & Noble, or your favorite bookstore.

I hope you'll find this book to be a helpful resource for teaching your family about money. I believe that financial literacy is essential for a happy and successful life, and I want to help you give your family the tools they need to succeed.

Thank you for reading!

About the Author

I'm a financial planner and author who has been helping families achieve their financial goals for over 20 years. I'm passionate about teaching people about money, and I believe that everyone can achieve financial success if they have the right tools and education.

I'm the author of several books on personal finance, including *The Total Money Makeover* and *The Courage to Be Rich*. I'm also a regular contributor to *The Wall Street Journal*, *Forbes*, and *The Huffington Post*.

I live in Nashville, Tennessee with my wife and three children.
