Sir Cumference is a brave knight who lives in the Kingdom of Pi. He is always ready to help others, and he loves to teach math. One day, Sir Cumference is called to the castle to help King Tens. The king has lost all of his tens, and he needs Sir Cumference's help to find them.

Sir Cumference sets out on a quest to find the missing tens. Along the way, he meets a cast of wacky characters, including Lady Di of the Powers of Ten, Count Down, and Zero the Hero. With their help, Sir Cumference finally finds the missing tens and saves the day.

Sir Cumference and All the King Tens is a fun and educational book that will teach kids about numbers in a way that they will never forget. The book is full of hilarious jokes and puns, and the characters are so lovable that kids will want to read it again and again.

### **What Parents Are Saying**
