In *The Lords Of Easy Money*, Edward Chancellor tells the story of the world's richest bankers. These men are the masters of the financial universe, and they have made their fortunes by taking advantage of the world's financial system.

Chancellor's book is a fascinating look inside the world of high finance. He shows how the bankers have used their power to manipulate the markets and make themselves rich. He also shows how the bankers' actions have led to the financial crises of the past century.

*The Lords Of Easy Money* is a must-read for anyone who wants to understand the financial world. It is a book that will change the way you think about money and banking.

## **About the Author**

Edward Chancellor is an author and financial historian. He is a fellow of the Royal Historical Society and a member of the advisory board of the Adam Smith Institute. He has written several books on financial history, including *The Lords Of Easy Money*.
