## Synopsis

In the gritty and unforgiving underbelly of the city, where the law has failed to protect the innocent, a vigilante emerges to take justice into his own hands. Jack Lamburt, a seasoned detective disillusioned by the corrupt and inefficient justice system, decides to wage a one-man war against the criminals who plague his city.

As Lamburt's methods become increasingly brutal and unorthodox, he finds himself walking a dangerous line between hero and villain. The city's corrupt officials, fearing their own exposure, conspire to bring him down. But Lamburt, driven by a relentless determination, refuses to yield, determined to fight for justice by any means necessary.
