When Kites Were All We Had is a powerful and inspiring memoir that tells the story of one family's journey through the unimaginable. After losing their home and everything they owned in a devastating fire, they were left with nothing but their memories and each other. But instead of giving up, they found strength and hope in the most unexpected of places: the kites that their father flew every day.

Written with honesty and grace, When Kites Were All We Had is a testament to the power of hope, resilience, and the love of family. It is a story that will stay with you long after you finish reading it.
